

## Class 7 – The Third Temple and The Abomination of Desolation

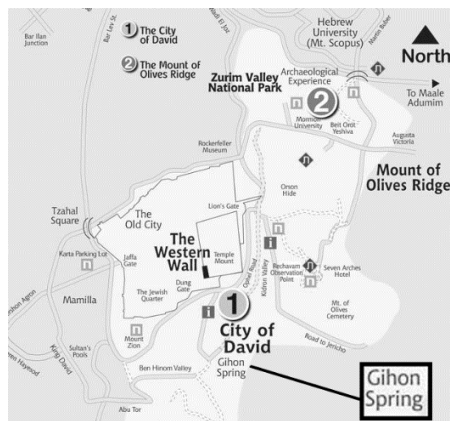

### The Third Temple and the Abomination of Desolation

"And he (the Antichrist) shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate." (Daniel 9:27, KJV)

"<sup>18</sup> Then the angel of the Lord commanded Gad to say to David, that David should go up, and set up an altar unto the Lord in the threshing floor of Ornan the Jebusite." (I Chronicles 21:18, KJV) We know that the Priests required a fresh spring of water nearby for their cleansing rituals; standing water would not do, as once the first priest entered the pool, the standing water was then considered unclean.

#### 1. The City of David.

#### 2. Ornan's threshing floor.

"the angel of the LORD commanded Gad to say to David, that David should go up, and set up an altar unto the LORD in the threshing floor of Ornan the Jebusite." Fresh Spring water.

Some of the things that are now ready:

## Class 7 – The Third Temple and The Abomination of Desolation

- Temple coin. A new temple coin has been minted, with the image of President Trump and Cyrus the Great, and is available for purchase, with funds going to the rebuilding of the third

Temple.

- Completion of the restoration and construction of the many sacred vessels necessary for use in the service in the Holy Temple.
- The sacred garment or ephod of the Cohen HaGadol as well as his choshen (breastplate) and the tziz zahav (golden crown) is complete and ready.
- Building plans for the Temple are complete.
- Table of showbread
- Altar of incense
- Golden Menorah
- Two rabbis from the Temple Institute have been to the site where they claim the Ark of the Covenant is stored and ready to be retrieved.<sup>2</sup>
- The cornerstone for the temple, prepared by Gershon Solomon's Temple Mount Faithful, is ready for construction to begin.<sup>3</sup>
- A Training Center in the Jericho Valley has been training those from the tribe of Levi in the roles of priests, in service to the Temple.<sup>4</sup>
- All of the priestly garments are finished. Rabbi Kahane, the founder of the Temple Institute, has his hanging in his closet, ready to wear.
- The 4000 harps needed for the Temple music were well underway and close to being completed by craftsmen at the House of Harrari. Unfortunately, those harps were destroyed in a fire in 2021 and I haven't seen an update on the re-building of those harps.
- 23 large stones have been prepared for the construction of the Temple. Per Scripture, these stones cannot be dressed, or chiseled, any where near the Temple site, *"7 And the house, when it was in building, was built of stone made ready before it was brought thither: so that there was neither hammer nor axe nor any tool of iron heard in the house, while it was in building."* (I Kings 6:7, KJV), so the skilled craftsman working these stones are working them in the quarry.<sup>5</sup>
- The announcement of a dedicated railway from Tel Aviv to Jerusalem.

"Ben Gurion, Israel's largest airport, located in Tel Aviv, has announced plans for a 2023 high speed rail line that will transport travelers directly to the Temple Mount in Jerusalem. According to the story, the terminal station near the Western Wall will be named for the U.S.'s 45th President, Donald J. Trump."<sup>6</sup>

- The arrival of five red heifers in Jerusalem.

"The red heifer was the main component in the Biblically mandated process of ritual purification for impurity that results from proximity or contact with a dead body. Because the elements needed for this ceremony have been lacking since the destruction of the Second Temple, all Jews today are considered ritually impure, thereby preventing the return of the Temple service."<sup>8</sup>

"During the time of the First and Second Temples, a span of approximately 1,000 years, only nine Red Heifers were used in preparing the waters used to purify Jews. According to Jewish tradition, the tenth one will be used by the Messiah."<sup>9</sup>

*"<sup>27</sup> And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate." (Daniel 9:27, KJV)*

*"<sup>31</sup> And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate." (Daniel 11:31, KJV)*

*"<sup>11</sup> And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days." (Daniel 12:11, KJV)*

## **Class 7 – The Third Temple and The Abomination of Desolation**

*"<sup>15</sup> When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) <sup>16</sup> Then let them which be in Judaea flee into the mountains: <sup>17</sup> Let him which is on the housetop not come down to take any thing out of his house: <sup>18</sup> Neither let him which is in the field return back to take his clothes. <sup>19</sup> And woe unto them that are with child, and to them that give suck in those days!"
