

Class 8 – The New World Order

The New World Order

A One World government is not a new concept. In fact, several over the history of mankind have tried it.

1. Cyrus the Great - (590 or 580 BC – 529 BC), founder of the Achaemenid Empire, the first Persian empire. Cyrus the Great created the largest empire the world had yet seen. It spanned from the Mediterranean Sea and Hellespont in the west to the Indus River in the east.

2. Alexander the Great – (356BC – 323BC) became King of Macedonia when his father, King Philip II was assassinated in 336BC, when Alexander was only 20 years old. His lifelong goal was to conquer the entire known world. He came close and by the time of his death, he had conquered many foreign lands which included Persia, Judea, Syria, Mesopotamia, Egypt and others. He was never defeated in battle.

3. Julius Caesar – (100 BC – 44 BC), Although he did not begin the Roman Empire and it did not fall with his death, Julius Caesar is credited with greatly expanding it. When he was a child, the Roman empire was failing, but his leadership turned it around. At its height in 117 AD, the Roman Empire was massive. It encompassed a land area of roughly five million square kilometers and ruled over somewhere between fifty-five and sixty million inhabitants. At one time, somewhere between one sixth and one quarter of the total population of the planet lived under the rule of the Roman Empire.

4. Napoleon Bonaparte- (1769-1821), also known as Napoleon I, was a French military leader and emperor who conquered much of Europe in the early 19th century. Born on the island of Corsica, Napoleon rapidly rose through the ranks of the military during the French Revolution (1789-1799). Through a coup d'état in 1799, he was able to seize political power in France and then crowned himself emperor in 1804. Napoleon was a brilliant military strategist and is still studied today in military schools.

5. Adolf Hitler – (1889-1945), now called one of the most evil men in history, Hitler's dream was to conquer the world and create his own "New World Order", or the Third Reich. It was his invasion into Poland that started WWII, in 1939. He also oversaw the Nazi Party's implementation of the Holocaust, which resulted in the deaths of millions of people.

"¹And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. ²And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority." (Rev 13:1-2, KJV)

"⁷And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations." (Rev 13:7, KJV)

Class 8 – The New World Order

In 2015, the UN published a document titled, “TRANSFORMING OUR WORLD: THE 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT.”¹

"Agenda-21"².

“Where is the United States during the Tribulation?”

“⁷ And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.” (Rev 13:7, KJV)

“And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.” (Luke 21:28, KJV)

In August of 2014, Mr. Kissinger writes “A world order of states affirming individual dignity and participatory governance, and cooperating internationally in accordance with agreed-upon rules, can be our hope and should be our inspiration.”³

In early May 2020, Edward Fishman, a former member of the Policy Planning Staff at the US State Department, wrote, "...at rare moments, confidence in the old order collapses and humanity is left with a vacuum. It is during these times that new orders are born—new norms, treaties and institutions arise to define how countries interact with each other and how individuals interact with the world."⁴

Gordon Brown, a former UK Labour Party Prime Minister, states in March 2020, that "This is not something that can be dealt with in one country (in reference to the corona virus "pandemic"). There has to be a coordinated global response."⁵ Further in this interview with Brown, he states this consortium of world leaders must have emergency powers, in spite of then-President Trump's stand on "America first"⁶

"Global Governance and global rules for development in the post-2015 era.", where they examined their goals, how to realize those goals, and "considered how global governance and global rules could be strengthened to make them more conducive to development in the post-2015 era."⁷ They then state, "The Committee argues that strengthening global governance and global rules is necessary in order to manage the increasing interdependence among countries more efficiently, to reduce existing inequalities, and to guarantee the necessary policy space for countries to pursue their own priorities within the limits given by interdependence."

Enter the World Economic Forum. Founded in 1971 by Klaus Schwab and headquartered in Geneva, Switzerland, their motto is "Committed to improving the state of the world." In their brochure titled, "A Platform for Impact", Klaus Schwab states "'Since its creation in 1971, the Forum has championed global citizenship. This has led to numerous public, private and multistakeholder initiatives to improve the state of the world. What we need now is a platform to integrate public and private initiatives into a common effort to achieve maximum impact."⁸

Class 8 – The New World Order

"The world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. Every country, from the United States to China, must participate and every industry, from oil and gas to tech, must be transformed. In short, we need a "Great Reset" of capitalism." - Klaus Schwab

"The Great Reset will happen with greater speed and with greater intensity than a lot of people might imagine." John Kerry, US Special Presidential Envoy for Climate

Joe Biden, 3/22/22 on video, "Now is time when things are shifting. There is going to be a New World Order out there and we gotta lead it...we gotta unite the rest of the free world in doing it." <https://www.youtube.com/watch?v=8z5VtVARMag>

"⁷ And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations." (Rev 13:7, KJV)

"The Obama administration's Department of Defense was caught training U.S. troops that Catholics, orthodox Jews, and evangelical Christians are to be considered 'religious extremists,'; even equating the major religions representing more than half of Americans with truly violent groups such as al-Qaeda, the Ku Klux Klan, and Hamas. ... During the presentation, troops were subjected to a slideshow that included a segment on what was dubbed 'religious extremism.' At the top of the list — the very first item — was "evangelical Christianity" in the United States. Also included were "ultra-Orthodox" Jews, Catholicism, fundamentalist Mormons, and "Islamophobia."⁹

Our hope lies in Jesus Christ.
